

Dear Parents,

We know how challenging it is to be a parent today. We are bombarded with messages and pressures that contradict love and logic. The media exposes children at an early age to a twisted perception of romance and sexual relationships prompting children to ask questions that we may never have thought of when we were young. It can be difficult to follow God's perfect plan for love...and life.

Our kids—and you!—face daily challenges from the world: what to watch; what to wear; what to read; and who to hang out with. It can be overwhelming.

But...you are not alone! We're here to help with *LoveEd*, a new program that will give you the confidence and tools to teach the *meaning* of life along with the facts of life.

Join us for a *LoveEd* Kickoff Evening for parents of children ages 2-14 on _____, _____ to _____. After that we'll offer sessions for Moms and their daughters and Dads and their sons.

Each seminar is age- and gender-specific and has an accompanying guide for use at the parish program, plus reading together at home.

LoveEd is designed to help you have meaningful conversations with your child about love, life, sexuality and purity. *LoveEd* helps you empower your child with the truth as they enter the various stages of development, so that they can become the person God wants them to be, and learn to love according to His plan.
